

NOTICE

Imphal, dtd. 03.11.2019.

No. 62/79/2019(UNDP)/MANIREDA/ In continuation to this office Notification of even number dated 16th Oct., 2019, it is once again inform to all the Channel Partners and whoever concerned, that the viability gap funding (upto @ 20 of the project cost) provided by UNDP for installation of GCRTS is for limited capacity, i.e. 500kW and 250kW for Institutional and Community/Social sector respectively. Eligibility of this UNDP capital subsidy will be on the basis of receiving project completion report fulfilling all requisite conditions of the scheme and also on first come first serve basis.

Further, submission of application or online registration for UNDP gap funding, does not necessarily guarantee eligibility of funding unless project completion report in all respect is submitted and availability of fund.

MANIREDA, therefore, shall not be responsible for any gap funding once the available fund from UNDP for the programme is exhausted.

(L. Manglen Singh)
Director, MANIREDA.
